

Use CFCNCA's e-Giving tools for safe, convenient and easy giving

Ready to make your pledge to the Combined Federal Campaign? It's fast and secure with CFCNCA's online process. Five easy steps, and you're done. Your pledge is on its way to serve those in need, comfort the ill, search for cures, protect the environment and reach out to help in countless other ways.

- **e-Giving is safe and accurate.** CFCNCA offers a choice of secure ways to give: payroll deduction, credit/debit card, e-Check (electronic bank transfer), check or cash. Payroll deductions are calculated automatically and displayed for your approval. Or, you can go paperless by choosing credit/debit card or e-Check.
- **It's available 24/7.** Select your designated charity and complete your pledge any day, any time, until the end of the campaign season. Take your time and make a choice from more than 4,000 approved charities in our online searchable database. Give to one charity, many charities, or even make an undesignated gift.
- **And it's efficient.** When you make your pledge online, you save time. Plus, online pledging helps reduce overall campaign costs. That means more money reaches the people and communities in need.

Remember, **January 15** is the FINAL day to make 2009 pledges. Don't delay.

Go to www.cfcnca.org to make your pledge today.
