Combined Federal
Campaign
of the National
Capital Area

Really want to make a
difference? Here's how.

COMPASSION
OF INDIVIDUALS
THE **POWER**
OF COMMUNITY

**The choice
is yours.
The impact
is great.**

If you have never participated in the Combined Federal Campaign (CFC), this is the year to begin.

Already a part of the CFC community? Invite your co-workers to join the effort. Remember, CFC is the *only* workplace giving drive created and run by Federal workers. We offer you:

Choice. Your donation goes directly to the causes that mean the most to you. Help the environment, find cures for disease, aid victims of disaster and more through over 4,000 approved charities.

Accountability. We keep administrative costs low. That means more dollars go directly to your causes. You can trust that every dollar you give is accounted for and used wisely.

Easy Giving. Give through an easy payroll deduction and watch your dollars make a difference. You also can give online by credit card or debit transaction.

**The compassion of individuals.
The power of community.
