

Take CFC's express route to easy online giving

Ready to make your pledge to the Combined Federal Campaign? It's fast and secure with **Employee Express (EEX)**, your CFC payroll deduction e-Pledge tool.

Simply log in, search and select the charities you want to receive your donation, set up a payroll deduction plan and click submit. That's it! Your CFC pledge is on its way to serve those in need, comfort the ill, search for cures, protect the environment and reach out to help in countless other ways.

Take advantage of EEX any time during the CFC 2009 campaign.

- **It's safe and accurate.** EEX links directly and securely to your payroll provider. Your payroll deduction calculates automatically, and pledges are transmitted daily.
- **Available 24/7.** Select your designated charity and complete your pledge any day, any time, until the end of the campaign on December 15.
- **And it's paperless.** No forms to print out. No trips to the personnel or payroll office. When you make an EEX e-Pledge, you save time and help the environment. Plus, by reducing overall campaign costs, more money is available for charities to help people and communities in need.

Remember, **December 15** is the FINAL day to make 2009 pledges. Don't delay.
