

## USPTO e-Pledge — Your express route to CFC giving

Ready to make your pledge to the Combined Federal Campaign? Here's a simple, secure way to make your commitment online. With the **United States Patent and Trademark Office (USPTO)** e-Pledge option, you can search and select the charities you want to receive your donation, set up a payroll deduction plan or choose credit/debit card or e-Check and submit your pledge with a few simple clicks.

That's it! Your CFC donation will be on its way to serve those in need, comfort the ill, search for cures, protect the environment and reach out to help in countless other ways.

Take advantage of the USPTO's e-Pledge option today.

- **It's safe and accurate.** USPTO e-Pledge offers three secure methods of giving: payroll deduction, credit/debit card and e-Check (electronic bank transfer). Your payroll deduction calculates automatically, and pledges are transmitted to your payroll provider.
- **Available 24/7.** Select your designated charity and complete your pledge any day, any time, until the end of the campaign on December 15.
- **And it's paperless.** No forms to print out. No trips to the personnel or payroll office. When you make an e-Pledge, you save time and help the environment. Plus, by reducing overall campaign costs, more money is available for charities to help people and communities in need.

Remember, **December 15** is the FINAL day to make 2009 pledges. Don't delay.

**To begin, log in to your USPTO workstation, go to your Intranet and click CFC e-Pledge.**
